THE GLADES

❄️ YOUR HOME ON THE HILL ❄️

THE HOMES

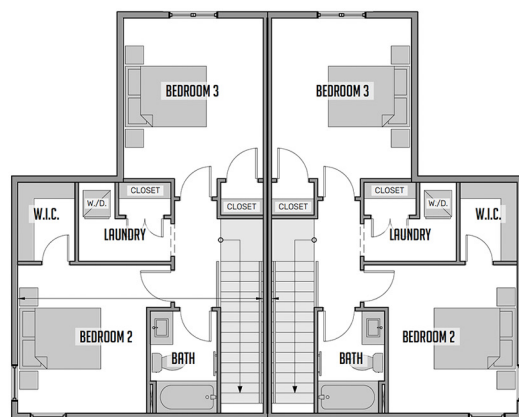

Acorn Homes has designed chalets for Big White that are of a compact footprint and do not compromise on form and function. The thought process was to create a living space that could work as a family vacation property, an investment, or both. Our team has delivered a new vision that we believe is the best value for ownership at Big White.

We offer homes that can be built as either Town Home or Single-Family styles; the choice is yours.
